Upcoming Show Information:

NYS Breeders Association:

Everyone is responsible for sending in their own entries. Entries are due May 14th. Please remember to indicate on your entry that you are with Pople Ridge Farm. If you did not receive an entry book, please see Marcia. Sign up with Deb and Ty during lessons so we know how many are going.

Congress dates have changed. For more details, go to www.oqha.com.

If you are trying to qualify for one of the world show, or just curious, you may check your points through www.aqha.com. You need your membership number and establish a password. Each member gets \$10 worth of free records per month.

Boarding Information:

As stated in the memo attached to the April board bill, board may increase \$25 per horse due to rising hay and bedding costs. If you did not receive the memo please contact Marcia.

Stall mats have been ordered. Please make prompt payment to Kris Duell if you have not done so already.

If you owe Kris for other invoices, please pay her in a timely manner. She makes a great effort to keep up with inventory which is a nice convenience to all us. Kris now has a drop box to make it even easier to pay her!

In an effort for Pople Ridge Farm to improve communication with boarders, we would like to have an email directory. Please give Marcia your current email address: popleridge@aol.com. We are considering using this for communication about scheduling changes, horse showing information and possible show bills.

Other Summer Activities:**Day Camp Every Thursday!**

Pople Ridge is trying something new this year, instead of offering just one given week of day camp, we are offering the same experience every Thursday throughout the summer. Students wishing to spend the day at the stable will have the opportunity to have a lesson, join in on supervised barn activities and games, and swimming! Campers do not have to be in our lesson program to participate. New students and friends/relatives of students are welcome!

Campers are asked to bring their own lunch, drinks and swimming gear. Students may sign up for one Thursday or all Thursdays. The charge will be \$40 per day, per student. Sign up in the 9-stall. If you sign up and decide to cancel, you must give a weeks notice to your instructor or you will be charged for that day.

Lessons:

Many students take advantage of the extra time in the summer, the beautiful weather and benefit significantly from taking additional lessons. For example, students who normally ride once a week through the school year may want to consider taking two lessons per week through the summer months. Speak with you instructor for scheduling times. If you wish to change your riding schedule (day and/or time you normally ride) through summer vacation, please tell your instructor in early June.
